SUBJECT: Postponement of U.S. Department of Labor, Employment and Training Administration (ETA) Region 1 Young Adult Conference

This office transmitted Workforce Systems Letter (WSL) 11-03 on February 3, 2011, to announce a Young Adult/Older Youth conference to be held in New York City on March 22 – 24. Unfortunately, due to current agency budgetary and travel constraints, the Regional Office is compelled to postpone the conference, "*Building a Stronger Young Adult Service Delivery System in Your Community*," until later this year. I sincerely apologize for any inconvenience the postponement of the conference may cause.

A core workgroup comprised of local, state, and federal staff devoted considerable time planning for the conference. To share the benefits of these planning efforts to date, and also to prepare attendees for the conference later in the year, the Regional Office hopes to conduct webinars in the spring and into the summer focused on the three conference themes: 1) Earn and Learn; 2) Disconnected Young Adults/Older Youth; and 3) Collaborative Partnerships. The Regional Office will announce these webinars as they are developed and I encourage your active participation in them.

Please direct questions about the conference or the webinars to Region 1 staff, Ms. Carmen Rodriguez at Rodriguez.carmen@dol.gov or (617) 788-0110 or Mr. Tom Dalton at Dalton.thomas@dol.gov or (617) 788-0113.
